The day He was born, He did not tease us, and who lives in Heaven is God and Jesus. The day He was born, was Christ-mas day, and He walked down the path all the way. He walked along to have some fun, until the big flood began. It was filled up with people and animals, and after that, people rode on camals.

On Christmas day, in the funnest way, is to spend time with your family. On Christmas eve night, is the night you sleep calmly, and give blessings to God, Jesus, and all the angels all the way till Christmas
