Dear Santa,

I'm having a awesome Christmas so far. My family got our tree and we hung the ornaments too. What I would like for Christmas is a Kindle or tablet, an elf on the self, a watch (even better a smart one), Minecraft Legos, cougar coins, or Mine coins.

How is it in the North Pole? Are the elves ok? I bet its really busy over there. Do they elves work on toys all year long? Or do they get a break.

Sincerely,

Eat the grass while
Reindeer run to finish Christmas!

Here
Reindeer running around the world.
Icicles hanging all over the roof.
Santa is coming.

Must be in bed.
And
Sleeping. Good night!!
